VOLUNTARY ANNOUNCEMENT MEMORANDUM OF UNDERSTANDING — STRATEGIC PARTNERSHIP WITH PT SINAR MAS MULTIARTHA, TBK

This announcement is made by QuantumPharm Inc. (the "**Company**", collectively with its subsidiaries, the "**Group**") on a voluntary basis for the purpose of keeping the shareholders of the Company (the "**Shareholders**") and potential investors informed of the latest business update of the Group.

MEMORANDUM OF UNDERSTANDING

The board (the "**Board**") of directors (the "**Directors**") of the Company is pleased to announce that on 30 October 2024, the Company entered into a non-legally binding memorandum of understanding (the "**MOU**") with PT Sinar Mas Multiartha, Tbk. ("**SMMA**") in relation to the proposed formation of a strategic partnership to collaborate in the fields of artificial intelligence and automation in Southeast Asia (the "**Proposed Partnership**"). It is contemplated under the MOU, among other things, that the Proposed Partnership will be carried out through the establishment of a joint venture company.

REASONS FOR AND BENEFITS OF ENTERING INTO THE MOU

The Company is an innovative research platform company powered by artificial intelligent (AI) and robotics and is driving intelligent and digital transformation in the life sciences and material sciences sectors. The Group combines quantum physics, AI, cloud computing, and large-scale robotics to provide R&D solutions, services, and products for pharmaceuticals, biotechnology, renewable energy, and advanced materials industries globally. The Group, a pioneer in AI and robotics for life science and new materials R&D, has collaborated with over 300 global enterprises and research institutions, leading the way with an extensive successful track record in AI for science commercialization.

SMMA is a leading financial services company in Indonesia, including banking, insurance, asset management, share administration, multi finance and information technology. SMMA is part of Sinar Mas Group which is one of Indonesia's most influential and diversified conglomerates, and which maintains a commanding presence across sectors such as healthcare, mining, renewable energy, logistics, consumer goods, chemicals, and financial services. With its robust supply chain and deep market penetration across the Asia-Pacific, Sinar Mas Group is well-positioned to drive industry innovation through advanced AI solutions, reshaping the region's economic landscape.

The Board considers that the Proposed Partnership allows the Group to leverage SMMA's extensive industry resources and expertise in the expansion of the Group's businesses in terms of both scale and geography. The Directors are of the view that the Proposed Partnership between the Group and SMMA, if materialised, represents an opportunity for the Group to broaden the revenue stream of the Group and is in the interests of the Company and the Shareholders as a whole.

GENERAL

The Board wishes to emphasise that the Proposed Partnership contemplated under the MOU may or may not proceed and that the parties have not entered into a legally binding agreement in relation to the transactions contemplated under the MOU as at the date of this announcement. If the transactions contemplated under the MOU materialise, the Company will make further announcements as and when appropriate in accordance with the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.
